FAIR GRIEVANCE PROCEDURE -BA s will do a thorough investigation of all grievances and make regular reports to the grievant and\or steward.

BETTER PENSIONS- We re tired of the work til you drop retirement plan.Working Teamsters want to offer the rank and file a chance to retire while they can still enjoy life.

STEWARDS COUNCIL- Stewards are the backbone of the union.We will promote education , information and regular seminars.

EDUCATION FOR NEW MEMBERS- We will start new programs to help new members learn the benefits offered by the union as well as their rights.

ORGANIZE- We will work with our new international leadership to bring in new members. This will help us ALL at contract time.

OPPORTUNITIES FOR WOMEN -Women have been left out of the loop in the Teamsters organization. We need ALL TEAMSTERS to move our union forward.

NEW BUILDING We"ll find a nicer location to build or purchase a new union hall so that we can LOWER the $2.00 assesment and *Keep Our Local In The Tri-cities*
